#### Disciplining the Boys.

"Upon the American mother, is placed guarding the home, and training Miss Eleanor S. Ross, who has been boys for citizenship. Let us consider connected with the faculty of Rutland high school for several years, has resigned to take a position as instructor in a high school at Boise, Idaho. She in good citizenship should be taught. If in good citizenship should be taught. If we improve the quality of citizenship, we elevate the nation. Our observation and experience alike teach us that so N. Y., has a scarcity of female help, especially close is the relationship between the home and the state that whatever affects the well-being of the former reacts upon the larger family of the commonwealth.

"As I have watched the results of lax matches of designing in home to the state that whatever affects there are not female operators enough to supply the demand. Good positions paying from \$10 per week up are open to power machine operators. Address Binghamten Chamber of Commonwealths of designing in home to the state of the sta

methods of deciplining in home training upon the youth of the present generation, it has occurred to me that our American mothers have been doing all that was possible to spoil their sons, unfitting them either to govern themselves or to be of benefit to the community at large.
